Vazovova 5, 813 80 Bratislava                           info@dkc-eu.com                                                             Avenue des Arts  39, B-1040 Brussels

Registered in the Registry of interest association of legal entities as County Office Bratislava I.
Whilst establishing the Cluster, a principle of partnership was followed. Legal persons from Danube Region countries may become members if they are active in:

- **The public sector** (cities, self-governing regions and their associations),
- **The academic and intellectual sector** (universities, research institutes and churches),
- **The private, non-public and entrepreneurial sector** (state and private entrepreneurial entities, including banks, non-profit sector).
- **Current members from Slovakia, Romania, Germany, Poland and Czech Republic**
